

Alan Feirer | Stage Introduction

Note to reader: Alan's last name is pronounced like "fire"

Our speaker today believes that when leaders motivate and teams genuinely enjoy working together, great work follows—and more importantly, people do too.

For over 25 years, he's worked with organizations across the country helping leaders communicate more clearly, build stronger relationships, and navigate change without losing the human side of the work.

He's an Authorized Partner with Everything DiSC and Five Behaviors, a Certified Multipliers Coach, and the author of Leadership in Action: Eight Virtues.

He's also a distance runner, a tennis player, a lifelong Disney fan... and a competitive Scrabble player.

If you've been around him before, you've probably heard his name pronounced a few different ways.

Let's see how I do.

Please join me in welcoming... Alan Feirer.
